Volunteer Spotlight

In each newsletter this year, we will recognize some of the wonderful individuals who help make the events and mission of Resources of Hope possible: OUR VOLUNTEERS!

Meet Sherry Porter.

“I started volunteering 4 yrs. ago. I do a variety of things as a volunteer; sort clothes, organize the donations, help with fundraisers, etc. there is always something to do. I like that! It's never boring. I read about Resources of Hope in the Daily Journal and knew I wanted to be part of what they do. The great thing about volunteering at Resources of Hope, is knowing you're helping foster children. It makes you feel good to know you're helping in some way. If you are looking for a place to volunteer, Resources of Hope is the best! We are always having fun here, come in and see what you want to dive into!”
